# 2012–2016 5-year average

2012–2016 5-year average

### Age group (years)

- A horizontal legend bar with six color-coded segments representing different age groups. From left to right, the colors are blue, teal, light green, yellow-orange, orange, and grey. The labels for the age groups are positioned above the bars: '0–4' (blue), '15–24' (teal), '35–44' (light green), '55–64' (yellow-orange), '75–84' (orange), and '85+' (grey).
